THE WEEKLY DIGEST

February 28, 1971

Section TWO

Vol. 61 No. 9

INDEX TO VOLUME 60

JULY THROUGH DECEMBER 1970

Items in QUOTE are arranged alphabetically according to subject matter. In the semi-annual index, the first numeral in each reference indicates the page, therefore "ACADEMIC FREEDOM—338;" tells you that an item on Academic Freedom will be found on page 338.

One or more letters following a page number, refer to material in regular departments. For example: "MUSIC, Natural—59-SB;" indicates that an item on that subject is in Scrap Book on Page 59. The reference to "SCHOOLS, Grades—43-j;" means that an item on that subject will be found in the regular Good Stories section on page 43 under index letter j.

Quotations in the section May We QUOTE You On That? are also numbered and a reference such as "STUDENTS, Dissent—1-2Q;" refers to a quotation on that subject on page 1 in the May We QUOTE . . . section. When the letter "t" follows the Q as in the reference "POETS, Poetry—432-3Q-t;" it indicates the special Quote-ette feature on page 432.

A complete list of department abbreviations appears below:
